Shared Savings 2. Global Payment <p>Discuss:</p> <ol style="list-style-type: none"> 1. If shared savings is a common interim step between Fee For Service and Global Payments, how do we make shared savings payment models relevant to the SHIP populations? 2. Consider, e.g., that many of the SHIP

			<p>strategies have a primary care focus - does this help or hurt when considering shared savings and global payments?</p> <p>3. In Wisconsin, a great deal of primary care and behavioral health services are provided by providers who are linked to hospital systems. What should this mean for our consideration of shared savings and/or global payments?</p>
10:45 a.m.	<p>Finalize Implementation Considerations for Preferred Payment Models</p> <ul style="list-style-type: none"> • <i>Document 3</i> 	Workgroup members	Finalize implementation considerations for all necessary participants (payers, purchasers, consumers, others) for any preferred payment models
